

WANT TO GO RAFTING, HIKING, AND CAMPING???

WE DO... AND WE WANT YOU TO JOIN US!!

COME JOIN US AT BSA TROOP 119!!!

**WOW!! THAT LAST RAPID WAS
AWESOME!!**

Would you like to experience what these Scouts have? Then come and join Boy Scouts! We try to do something exciting each month, whether it is RAFTING, HIKING, CAMPING, CYCLING or WHATEVER WE CHOOSE TO DO TO HAVE FUN!!

We have:

- Camped on Mt. Mitchell, the highest point in the Eastern United States.
- Rafted down the French Broad River.
- Rafted down the Pigeon River.
- Explored the caverns of the Lost Sea.
- Learned to Rock Climb (safely!)
- Hiked miles on the Appalachian Trail.
- Canoed down the French Broad River.
- Camped in TENTS for a week.
- and we could go on and on.....

That's right, the Troop gets to decide what it wants to do and the Troop is BOY-LEAD. That means each and every boy will have a chance to help plan these activities. Each member will also have the opportunity to work on advancements and learn new things, such as how to deal with bears, rattlesnakes, weather, rock climbing, and many other activities. Also, each boy will have the opportunity to become a leader and learn leadership skills and how to use them.

The Troop also wants the ADULTS to participate, because there is plenty of fun and opportunities for them as well. So ask your parents to come. We need their help!

Nothing prepares a young man for the rest of his life like Scouting. YOU will learn how to take care of yourself, make new friends, experience new adventures, and know what to do for just about anything that comes your way!

If you feel you are up to some new adventures and have a desire to try new skills, then either come by and attend a troop meeting, send us an email or give the Scoutmaster a call. We will be glad to give you the details.
